OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 8 March 1961

1. (Unclassified - JSW) Mr. Warner sat in on the posture hearings of the Navy before House Armed Services. See Memorandum for the DCI.

2. (Internal Use Only - GLC) Lee Williams, in the office of Senator J. W. Fulbright (D., Ark.), called to say that a [redacted]

[redacted] had contacted their office and indicated that he had confidential information which he wished to pass on to a high level in CIA. Williams indicated that [redacted] was not a close friend of the Senator's but requested that we make arrangements for someone to talk with him. I called [redacted] who is staying at the Carroll Arms Hotel and arranged for him to see [redacted] of the OG Field Office tomorrow morning. [redacted] has been advised in the event it should become necessary to arrange an interview with someone in the Director's office.

3. (Internal Use Only - GLC) Mr. Sokas, of the Legislative Reference section of the Library of Congress, called and requested information on the number of Agency people serving abroad who were receiving pay differentials and allowances. He said he had received a congressional inquiry for this information on various agencies including CIA. Sokas was informed of our statutory prohibition against disclosure of names and numbers of Agency employees but also advised that Agency employees are accorded the benefits provided under the newly enacted overseas differentials and allowances act. I further advised Sokas that while we couldn't respond to his general inquiry, if an individual senator or representative wished to discuss this matter with us we would be pleased to talk to him. Sokas said he believed this information would be satisfactory.
